

Duncan Swim Team  
**Meet Schedule\***

\* pls note that the dates and / or locations are subject to change

Meet Packages will be posted on the Stingrays website as they are made available.

Meet are typically seperated by Qualifying Times (QTs).

For ease, this chart outlines the anticipated Meets for each group - a QT in the following column indicates the minimum standard necessary for entrance. Thus only some swimmers of that group (those satisfying the minimum QT) will be allowed to compete.
